CALL FOR PAPERS

About

Artificial intelligence (AI) have tremendous impact on industry sector. ICCAIT'24 is a premier forum for AI and Industry community to present state of the art of the AI research and technology in Industry. The conference will bring together scientists, researchers and practitioners around the world to exchange their ideas and findings proposed to improve Industry and solve some of the Industry problems. Renowned speakers will be invited to present their findings and insights. Researchers are encouraged to submit original, unpublished contributions to be considered. ICCAIT'24 will be held in October 14-15, 2024 at Misr University for Science and Technology (MUST) in Giza, Egypt, which is located about 17 km from the great pyramids. The conference will be an excellent opportunity for exchanging ideas of future technologies and visiting great historical places in Egypt.

TRACKS

Track 1: Computing
- AI & Machine Learning
- Computer Vision
- Neural Networks & DL
- Natural Language Processing
- Speech Processing
- Theory and Algorithms
- Image Processing & Multimedi
- Information Systems
- Pervasive & adaptive systems
- Bioinformatics
- Decision Support Systems
- Expert Systems

Track 2: Intelligent Systems
- Computer Networks
- Software Engineering
- Geographic Information Systems
- Telecommunications
- Intelligent Health Systems
- Digital Transformation
- Human Computer Interaction
- Reliability & Fault- Tolerance Systems

Track 3: Technology & Applications
- Simulation Systems
- Virtual Reality Systems
- Intelligent Health Systems
- Medical Database Systems
- Multimodality Sensing
- Medical Imaging Modalities
- AI in HealthCare
- AI in Drug Design
- AI in Medical Education
- AI for quality of life

Important Dates

Paper Submission Deadline: ~~01/7/2024~~
Extended Submission Deadline: 10/7/2024

Notification of Acceptance: 15/8/2024

Camera-ready Paper: 29/8/2024

Registration Date: 1/10/2024

Confirmation of Participation: 10/10/2024
